## Greetings:

This will be quite a short newsletter, because as you can imagine, everyone is working at full speed ready for the weekend. There are a few things however that we wanted to bring to your attention.

Firstly, we'd like to thank **Hall Irrigation** for assisting us with the purchase of our new playground border. It looks great, and the students have enjoyed using it as a race track for their sandpit trucks! Also, we'd like to thank **Mick Judd** for the use of his trailer so that we could get it here!

A quick reminder for families: students need to come on Saturday in their **school uniform**, and can then change into other clothes afterwards. Please be sure to **be at the school by 1.00pm** at the latest.

I'd also like to say a huge thank you to all of the people who have helped us get ready – it's been amazing, and the school looks fantastic.

*Regards,*

## JUNIOR, MIDDLE AND UPPER PRIMARY CLASS REPORT

Wow - Term 3 is almost over and it's hard to believe our 50 Year Celebration is now only a day away. Time has completely flown this term but we are proud of all the learning our students have been doing. The last two weeks has kept both of our classes busy as students have been working on finalising their assessment tasks, preparing displays for our celebration and working on our School Concert items. It was also great to catch up with many of you at our Parent

Teacher Interviews earlier this week and seeing the children talk through their learning with you.

We would like to congratulate three students for their sporting achievements over the last two weeks. Emelia Morgan and Olivia Howard represented our district at the SAPSASA Athletics Country Championships on Monday this week.

Congratulations also go to Matilda Knight for winning the Reception and Year One champion medal at our joint Sports Day in Week 7.

We look forward to seeing you all on Saturday as we celebrate the fantastic school we are glad to be a part of!

We are all looking forward to a hard earned break and would like to wish you all a great holiday with your families.

## PCW CORNER

Holidays are just at the door, knocking-  
YAY!!

It's been a great term in so many ways and the learning and growth has been at so many levels and depths. These children here at Geranium are absolute GEMS!

**Toolbox, Parenting Workshop** has wound up and has been a really valuable and helpful learning and growing time for parents.

Happy Holidays! Enjoy a slower pace with sleep-ins, no school lunches to pack and fun family times!

I keep all families and staff of Geranium Primary School in my prayers.
